

Which transects make up GIS 6 and GIS 5?

Which transects lie within 500 m of the groins?

Where on Hatteras?

- transects, north side (updrift)
- transects, south side (downdrift)
- Buxton groins
- CoastSat mean shoreline, Oct 1995-Oct 1997
- model domains (GIS)
- extent of (a) and (b)
